

**REMARKS**

Applicant believes that a certified copy of the Foreign Priority Application Number SE9804086-8, filed November 27, 1998, was provided in the International Application PCT/SE99/02110 filed November 18, 1999, and was provided on January 8, 2002, in the U.S. Application 09/681,724, that issued as U.S. Patent No. 6,363,810 B2, forming the basis of the current reissue application. A copy of a cover page of the certification, together with the U.S. PTO stamped return postcard and a copy as transmitted to the European Patent Office from the International Bureau of WIPO are attached. Pursuant to 37 CFR 1.55 and MPEP sections 1417 and 201.14(b) it is deemed that the requirement for providing a certified copy of the priority document has been met. However, Applicant can obtain and submit a newly certified copy of the foreign priority document promptly if required.

Should the Examiner have any questions or comments regarding this amendment or any other matter in connection with the reissue application the Examiner is invited to telephone the undersigned.

The Commissioner is hereby authorized to charge payment of any fees associated with any of the papers submitted herewith or to credit any overpayment to Deposit Account No. 50-0591 (Reference Number 07298.001001).
